Allowable Subject Matter

1. Claims 1-70 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The present invention as claimed pertains to a dental imaging system. The prior art of record fail to anticipate or render obvious the following limitations as recited in all independent claims:

"a connector disposed in said handpiece to flexibly interconnect said camera control unit with said sensor assembly, wherein said connector is configured to permit axial adjustment of said sensor assembly for focusing on said dental anatomy"

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
